

Who is GAF?

GAF has a board of directors made up of people in the community who care passionately about Geneva schools. However, the bulk of GAF is made up of **local residents** and **businesses** in the community who support GAF by their annual dues and by participating in the various fundraisers throughout the year.

What does GAF do?

Each year, GAF provides grants to pay for supplemental programs, equipment, and educational resources to benefit the students at each school in Geneva. The programs funded are based upon requests by teachers. Some of the items funded in past years include:

- Interactive 'Smart' Board
- Portable Document Cameras
- Microscopes
- CD Listening Library
- Visiting Jazz Violinist

How is GAF funded?

GAF relies on the support of parents, friends, and businesses for funding. GAF has an annual membership drive and several fundraisers throughout the year.

Some of our past fundraisers have included

- **Viva Geneva** (in partnership with the Geneva Chamber of Commerce).
- **Geneva Dancing with the Stars** (in partnership with the Geneva Cultural Arts Commission).
- **Viva Geneva 5-K Run.**
- **Mighty Viking Boat Race.**

These are fun events for the whole community. Please support GAF and Geneva schools by becoming a member and/or participating in one of our fundraisers.

GAF partners with the city, the schools and the community to connect students at all grade levels to new experiences, ideas and challenges by funding technology, services, programs and equipment.

Our success is based on four critical areas:

Relationships ... with Parents, the Community, and the School District.

Partnerships ... with the District and the Business Community.

Membership ... individuals donating time, talent, or resources to our mission.

Stewardship ... philosophical as well as financial ownership of our mission.

over
